New routes in the 2020-2021 Polar and Tropical Expeditions brochure

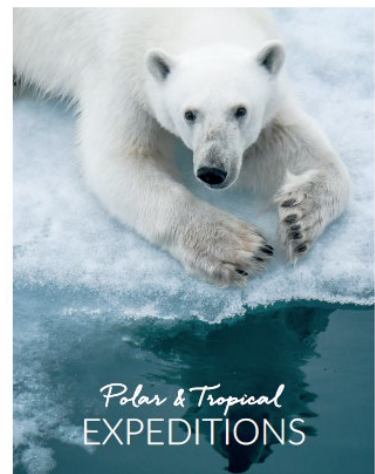

Expedition cruises to the heart of the Arctic Far North, sailing to the mythical White Continent, along the Amazon River, or to the idyllic beaches of the islands of Oceania and Polynesia, along the wild coastline of Kimberley or Papua New Guinea, or discovering the Bissagos Islands. PONANT has published its new Polar and Tropical Expeditions brochure for September 2020 to October 2021.

BRAND NEW | Six new itineraries can be found in this brochure.

Polar Expeditions: the Northeast Passage to discover the treasures of the Russian Arctic; the parks and nature reserves of Svalbard or Greenland in an attempt to reach the mythical region of Thule.

Tropical Expeditions: the natural wonders of the Scattered Islands and Madagascar; the discovery of the picture-postcard landscapes of the Marquesa Islands and Tuamotu in French Polynesia; the agricultural and winegrowing riches of Tasmania and the wild southern coast of Australia.
