

Summer 2023 sales launch: Mediterranean, Atlantic and Northern Europe

PONANT has launched its Summer 2023 sales with several itineraries aimed at rediscovering Europe, including gems in the Mediterranean, Atlantic and Northern Europe. A total of 59 sailings are proposed aboard the company's eight yachts providing supremely comfortable tranquil settings for refined sea travel.

The company will set sail with 41 cruises to the sun-kissed shores of the Mediterranean, where turquoise waters, ancient sites and countless islands are behind no fewer than 16 different itineraries. Greece to the Cyclades Islands, Croatia's idyllic set pieces, the *dolce vita* on French and Italian shores, and treasures in the Black Sea and Turkey await.

There are also 18 departures in the Atlantic and Northern Europe, with their secret islands and mysterious landscapes. More than a dozen are proposed from Ireland to the Canaries via Norway's spectacular fjords and rugged North Sea shores, Scandinavia and the Baltic Sea with their breathtaking pristine beauty.

The summer of 2023 will also be a musical one, as four cruises have been organised in partnership with France's Radio Classique, under the baton of artistic director Alain Duault.

A choice selection of cruises bound for the Arctic, Iceland, North America, Canada and Kimberley in Australia are already available to sell for summer 2023. [Find more on all sailings](#)
