6 August 2024 | PONANT has launched sales for an exceptional 10-day voyage along the Vietnamese coast from Ho Chi Minh City (Saigon) to Ha Long. Departure on November 29, 2024!

Between Ho Chi Minh City and Ha Long, this voyage aboard *Le Lapérouse* is an opportunity to discover Vietnam and its major UNESCO World Heritage sites in the best conditions of comfort and refinement.

This itinerary is an invitation to explore both **the iconic sights in Vietnam** (Saigon, Mekong delta, Halong Bay, Hue, Hoi An...) and those hidden away **places off the beaten track** (My Son Sanctuary, Cham Towers, Marble Mountain and Ghenh Da Dia basalt columns...). **At each stopover, an excursion is included per guest, to be chosen** from a selection proposed by our destination experts (pre-booking required two months before departure from the selected list).

There will be many opportunities ashore to experience the daily lives of Vietnamese people and their wealth of **arts and crafts**, while onboard a **lecturer** will provide cultural and historical insights about Vietnam.
