WHAT WILL YOU EXPERIENCE IN NORTHEAST GREENLAND

The best way to discover the Arctic: Greenland is 83% covered by the Transpolar pack ice

The largest national park in the world, with wildlife including polar bears (mothers and calves), seals, whales, musk oxen...

The land of giant icebergs, alpine mountains, fjords and glaciers

Reaching the East Coast during the springtime when the Inuit are very active

The awakening of nature: tundra, flowers, colours, the migratory birds coming from the south to breed and give birth to the chicks

Experience Dog Sled authentic experience (designed by our Inuit hosts)
